AMENDMENT

Assistant Commissioner for Patents
Washington, DC 20231

Sir:

In response to the Office Action mailed September 22, 1999, kindly amend the above-identified application as follows.

IN THE CLAIMS:

Cancel claims 20-23, 26, 27, 37, 38, 41 and 54 without prejudice or disclaimer

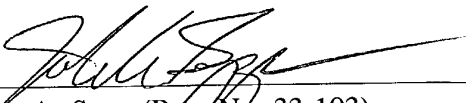

REMARKS

The above amendment cancels all the claims subject to the sole ground of rejection thus, rendering the rejection moot. The amendments should not be interpreted as an acquiescence to any objection or rejection made in this application as the canceled claims will be further prosecuted in a divisional application. The Office Action indicated that the remaining claims were allowable. (It would appear that claims 42 and 43 were inadvertently omitted from the list of allowable claims.) Thus, the application should now be in condition
